PROGRAM SUPPORTS

Simcoe Community Services makes every effort to provide supports that meet the needs of all individuals. The youth retreat offers a 1:5 ratio, if a 1:1 Support Worker is required for a youth to participate this must be arranged by the family.

In order for a family-employed Support Worker to accompany a youth to our program, that Support Worker must either:

1. Submit a Criminal Reference Check with Vulnerable Sector Screening that has been completed within the last 90 days from the time of submission, or
2. Must be a screened CHAP worker (Community Helper for Active Participation) through supportyourway.ca/respiteservices.com

Confirmation must be provided at the time of registration that the 1:1 support worker meets the above criteria
